Dear Chris,

The Community of **Tascott** on the Central Coast feel disappointment upon receipt of a letter in way of reply from **The Hon Jo Haylen Minister for Transport NSW** dated 4/10/2023, for Lifts to be installed at their **Tascott Railway Station**. This station has 80 steps to be negotiated if possible by the Disabled and Young Families.

"I'm not disabled because I can't walk. I'm disabled because people keep putting steps in front of me."
