Dear Council,

Members of our Association have alerted our committee to the danger they feel when:

1. Entering Brisbane Water Drive by Vehicle from Kuwarra Avenue Point Clare where vegetation along the railway line at this point inhibits their line of sight. Removal of such vegetation by Council would be appreciated.
2. Commutor's parking their vehicles along Kurrawa Avenue to access Point Clare Station in such a way that the vehicles are eroding the partly formed drainage drain along Kurrawa Avenue. Defining of the drainage drain along Kurrawa Avenue would be appreciated.
- 3.

regards,

The Management Committee 2019
Hon. Secretary
Helen Orchard.
